NOTE FOR THE DDA

*DDA:*  
Dick,

*RR*

Attached are 3 copies of the 1987 Congressional Budget. The copies are being specifically assigned to the DDA, the ADDA, and the Chief, MS for control purposes. As in the past, we call your attention to the extreme sensitivity of the document as a whole and ask that you control its use within your staff.

We encourage you, however, to distribute relevant sections to your components. Please ensure that those sections are properly classified and controlled.

We are asking that you return copy 22 of the 1986 Congressional Budget (BYE 800-85) to our Registry, 7C36 Hqs., by 28 February 1986.
